

ACprosite.com Launches Upgraded Website

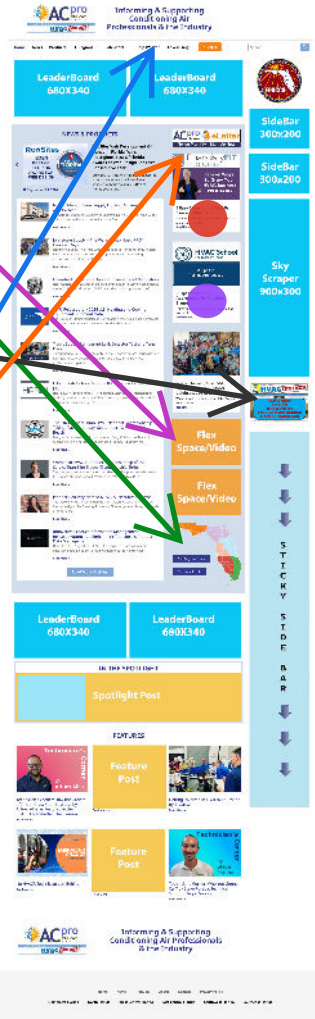

Visit ACprosite.com Today and See These Improvements for Yourself

To better serve the needs of HVACR contractors and professionals, we've made it easier to find the content that is crucial to you. For example:

- More video content with additional information in a watchable format.
- Faster access to the Regional Calendars and your primary region.
- New, 15 Years Ago feature.
- Clearer access to the Help Wanted listings.
- Easier access to sign up for the bi-monthly industry newsletter.

ACprosite.com continues to include those much-loved components including:

- Timely, local, statewide and national news and events that impact Florida contractors.
- Regional, event listing calendars to help pros plan their schedules.
- Training articles by industry-recognized experts including Ruth King and Bryan Orr's HVAC School.
- Product updates.
- State legislation affecting our industry.
- Easy access to statewide and regional association websites.
- Employment opportunities.

ACprosite.com is the **ONLY** online source specializing in information demanded by FL based HVACR pros.
